State-of-the-art kitchens and spacious bathrooms require a variety of slide options. Designs may include basic box drawers, pull-out cutting boards, wider pot drawers, or roll-out pantries. This selection of slides offer solutions for the latest in kitchen cabinetry.

MODEL	LOAD	DRAWER WIDTH	APPLICATION BENEFIT
2002	50 lbs.	12"	The unique two-way travel on this slide works well on pass-through shelves on kitchen islands providing access from both sides.
301-2590	130 lbs.	16"	Designed for platform-mounted shelves or pull-out pantry or dishware storage.
3132EC*	100 lbs.	30"	The Eclipse, Easy-Close, is a premium concealed solution that brings drawers to a fluid, gentle close.
340	110 lbs.	18"	This slide locks in an open position, providing a stable surface for a cutting board or work surface.
3600-200 3600-201	175 lbs.	16"	Designed to carry waste containers and utility bins, the self-closing mechanism on this platform-mount product keeps pull-outs neatly closed.
9301*	150–500 lbs.	Varies according to usage	Heavy-duty drawers to carry cookware or large pantry pull-outs are easily managed by the 9301. This model may also be flat-mounted and an optional bracket kit adds additional mounting flexibility.
