This group of products offers the strength retail displays and casework demand of hardware. All slides are full extension and most feature a hold-in detent to prevent drawers from rolling out or bouncing back open when closed. From the top quality 3132 Eclipse to the extra heavy-duty 60-inch 9301, this collection will serve a broad range of storage needs.

MODEL	LOAD	DRAWER WIDTH	APPLICATION BENEFIT
3132EC*	100 lbs.	30"	The Eclipse, Easy-Close, is a premium concealed solution that brings drawers to a fluid, gentle close.
3832SC* 3834SC	100 lbs.	16"	These medium-duty slides fit most box drawers and the self-closing feature efficiently keeps drawers closed and aligned. Model 3834 offers over travel.
3832TR	100 lbs.	16"	These slides keep drawers or shelves in a closed position until activated by touch.
3640*	200 lbs.	42"	Heavier drawers, wide lateral files, and flat files common to retail environments are well supported by this slide. The 3640 may also be flat-mounted, for a concealed solution and a load rating of 75 pounds.
9301*	150–500 lbs.	Varies according to usage	Heavy-duty storage bins and display rack platforms are easily carried by the 9301. This model may also be flat-mounted and an optional bracket kit adds additional mounting flexibility.
