Light-duty residential applications

Model 3732 Low Profile Slide

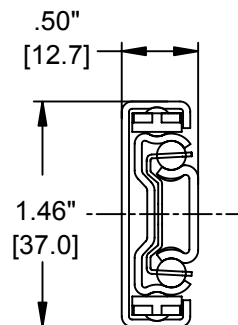

The 3732 is an affordable, full extension option for cost-conscious projects, or an ideal upgrade from 3/4 extension slides. Suitable applications include light- to medium-duty box drawers in residential cabinetry, medical carts and pedestals, cash drawers, or store fixtures.

Features & Benefits

- Up to **100-lb. load rating**
- **Drawers up to 16-inches-wide**
- **Full extension** for complete access to contents.
- **Low profile height** suitable for shallow drawers.
- **Hold-in detent** prevents roll out and bounce back.
- **Enhanced** to fully absorb the maximum impact of a closing drawer.
- **Unhandled push latch disconnect** for effortless drawer removal.
- **Wood installations:**
 - Front face frame mounting hole
 - Optional rear face frame bracket; no tools required to mount bracket to slide.
 - 32 mm and traditional hole pattern expands installation options.

Availability/Packaging

- Even lengths 12–26 inches
- Clear zinc, white, or black finish
